

Via Lingua®

# TESL / TEFL Certificate

TEACHER TRAINING • [www.vialingua.org](http://www.vialingua.org)

**Accredited teacher training courses for new and experienced teachers of English to gain effective and innovative teaching**

## PROGRAM HIGHLIGHTS AND GOALS

**Quality** - Classes are led by trained master teachers and specialists.

**Environment** - Enjoy firsthand experience in dynamic language schools where English is taught.

**Activities** - Useful and successful activities to teach the four skills: reading, writing, listening, and speaking.

**Ideas** - Creative ideas are used to motivate and empower students.

**Global Trends** - Worldwide trends in the field of EFL are discussed and explored.

## CURRICULUM

**Perspectives** - Teachers are introduced to presentations on course and classroom organization, textbook selection, lesson-planning, and fostering high motivation in the classroom.

**Site Visits** - Guided site visits are planned to local schools (public and private) and universities.

**Tools** - Teachers are given techniques and action plans for utilizing textbooks. Helpful resource materials are provided for all trainees.

**EFL Discussions and Issues** - There are opportunities to discuss and explore issues with experienced teachers and native speakers.

**Holistic Activities** - To develop into a well-rounded, global teacher, focus will be given to teaching English as an international language, reflective teaching, grammar games, using technology, and crosscultural
